SARTORIUS BALANCES
END OF THE YEAR CAMPAIGN

Entris® II & Cubis® II
-30% off the price

BALANCE THAT FITS TO ANY LABORATORY – NEW ENTRIS® II

IN SELECTION:

– Weighing capacity 60-8200 g
– Precision 0,1-1000 mg
– Internal calibration
– 12 programs
– RS232 connection
– GLP|GMP printout
– Both verified and regular balances

WHAT IS NEW?

– Automatic calibration dependent on time and temperature(isoCAL)
– LED touchscreen
– USB-C connection
– Plug&Play fast and easy connection to PC, no extra software is needed
– BPT surface for high chemical resistance
– Special-modified glass draft shield, to minimize weighing errors from static electricity
